## Jump and Trick Clinic

GWSF is excited to announce a trick/jump video and calling clinic. Ski Clubs, Tournament Organizers, judges of all levels, and future official and tech controller candidates will benefit from this program. The program will consist of three important areas instructed by Jerry Jackson and Ray Crenshaw.

1. Video jump set up – a complete review of setting up video jump for a sight.
2. Video trick set up – a complete review of setting up video trick
3. Trick calling, using a variety of skilled runs accurately calling tricks.

## Junior Cup Coming

Buzz Rodgers of South Carolina has extended an invitation to Georgia Junior Skiers to return to compete in a team format at the Carolina classic. Competitors will receive individual awards like last year and this year there will be a team trophy as well. Georgia came in second in 09, our first year competing. This was great fun last year, we would like to organize more this year. Contact junior development at blairsparadise@aol.com.
