Skier Development

Update

Our Adult Skier development committee has informed me they are speaking with Pro Skier Jeff Rodgers about a clinic in the spring.

We would like to get a handle on how many participants we would have to design the clinic appropriately. Such a clinic would be a shared financial venture between GWSF and the participants. Please email Rob Blair at blairsparadise@aol.com to express your intent to attend. The information will then be forwarded to the committee

Junior Development

What's coming to Junior Development?

- I. Three clinics and one protected practice.
- II. First Three Event Clinic in April, Slalom Clinic /Tournament in May and Follow up Three Event Clinic in May.
- III. Clinics will have pro instructors, more information in upcoming issues.
