

Hello Members,

We hope everyone's summer has been pleasant. The summer here at Whitestone has been great. We held yet another successful tournament and many of our members had great ski seasons. The summer is winding down and we still have one event left at Whitestone. We will be hosting the Collegiate Eastern Regionals during the first weekend of October. Some of the top collegiate skiers in the country will come to Whitestone to try to advance their team into the Collegiate Nationals. If you are in the area, this is definitely an event to come and check out.

The board had a productive meeting this past week to discuss various topics affecting our community. **We also set a date for the next general membership meeting which is Sunday, October 18th, 3pm at 61 Main (<http://www.61main.com>).** We have a full agenda so please mark your calendars and we look forward to seeing you there.
